Mr Goodwin ( Catering Manager) , Mrs MacKay ( Senior Mid-day Supervisor), Mrs Jones ( Assistant Headteacher).

- **Welcome from ZG**
- **Review the minutes of last meeting**

Jugs have been purchased. Within the next two weeks we have jugs on every table. 52 jugs ( 48 needed for service).

Lot of children concerned about pumpkin pie pudding. Banana crunch pudding now being served instead. Feedback from trial this week was that a lot of pupils didn't like the texture/ flavour of the banana. AJ Suggested perhaps having the banana as a topping that children could add, but Mr Goodwin explained that the fruit has to be part of the pudding according to the strict guidelines about how much fruit needs to be part of the menu each week. He

will experiment to see how he can tweak the recipe, e.g. blending the banana with the chocolate.

**Napkin dispenser – Mr Goodwin still looking for a suitable container.**

**Cutlery, plates and knives- new ones now purchased.**

**Beefburger bagel back on the menu as was very popular.**

**Hotplates- concern about hair from pupils getting onto the food.**

- **Feedback on the proposed new menu for next term**
- 
- **Finalise plans for Australia day Thursday 21<sup>st</sup> January**
- 
- Pupils coming in with the dinners-

Concerns from pupils about sandwiches going in earlier than the dinners since the beginning of this term. Mr Goodwin explained that this should not be happening, as it had been changed last year so that children can join with their friends for the social experience. We asked Mrs Mackay, she explained that sandwich children have been offered the opportunity to go straight in to the hall if they want to when the bell is rung, but if they would like to stay with their friends and line up with the dinners they still can. Mrs Mackay will remind lunchtime supervisors that children have option for either, and Mrs Jones will ask teaching staff to explain this to children so that they know they have the option.

Sandwiches- pupils can come in when bell called. You can stay outside with your friends and come in when they come in for dinners.

*Note: All staff were asked to talk to their classes about the sandwiches when we had staff meeting 13.1.16, also explained to pupils by AJ in Infant assembly on 14.1.16.*

### **Taste testing for sausage hotpot:**

Lincolnshire sausage and Cumberland sausage- which one tastes the best?

L- 11 people preferred this one.

C- 1 person, Cumberland is liked by everyone.

### **Lime and Ginger Cake-**

All pupils and adults did taste test- review was that it is delicious.

### **New menu: The following items are new on the menu, which will start after February half term.**
