Dear Parents

We are conducting a survey to assess the demand for Mickleover Primary School to provide a Breakfast and or After school club for our school children from September 2017.

Once responses have been collated we can review the proposal to ensure the clubs viability and then take the proposal to Governors for consideration.

Please note, there is no guarantee that Mickleover Primary will be running a Breakfast and/or an After-School Club. The information above is to find out whether there is sufficient demand for such facilities to be available for children from September 2017. We appreciate that you may not wish to take advantage of either facility offered, on every day within the School week, however this survey will give us an idea of viability.

I understand that if one or both of the facilities noted above go ahead I/we will consent to payments being met monthly in advance. (Costs will be in line with other local schools taking into account costings for running such facilities. Confirmed costs will be available in Spring term once demand has been assessed).
