

Space and Festivals

We will learn about bonfire night. We will talk about fireworks and develop our artistic skills by creating our own firework pictures. We will use percussion instruments to create fireworks.

We will learn about bonfire night. We will talk about fireworks and develop our artistic skills by creating our own firework pictures. We will use percussion instruments to create fireworks.

Festivals

We will start this half term by learning about the festival of Diwali and we will talk about the use of light by making a diva lamp.

We will learn all about the Christmas story and we will practise a short Christmas play which we'd love to show on Tuesday 13th December at 2:20.

We will be increasing our 'understanding of the World' by learning about shiny things and space. We will read books like 'But Martin!' By June Counsel and 'Q Pootle 5'
