

After Easter the children will be learning through the topic of Fairy Tales.

# Reception Newsletter

## Notices

We have nearly run out of spare tights and socks. If you have any to donate we would be very grateful if you could send them in with your child. Also, if your child does borrow any please ensure that they are returned to school ASAP.

## School trip

Reception will be visiting White Post Farm on Wednesday 7<sup>th</sup> June. More details to follow.

## PE kit

As we will be soon practising for sports day please could you put a pair of trainers in your child's PE bag that they can wear during PE.

## Easter Diary

Over the Easter holidays please support your child in writing a brief Easter diary. This only needs to be a sentence each time they do anything special. The children are working really hard on holding their pencil properly and forming their letters correctly. Please do not tell your child how to spell a word, we would like them to have a go themselves.

In maths, we will be using a number line to add and take away numbers.

We will be continuing to learn about measuring, money and time.

We hope your child is enjoying using the Learning Platform at home. Please let us know if you have any ideas that would make it work even better.

We will keep learning new sounds and tricky words in phonics.

These are the tricky words your child needs to learn to read (and eventually) spell.

|         |   |
|---------|---|
| Phase 2 | I, to, the, no, go, into  |
| Phase 3 | You, they, all, are, my, her  |
| Phase 4 | Said, have, like, so, do, some, come, were, there, little, one, when, out, what |

Please support us by hearing your child read at home **at least** 3 times each week and signing their reading diary. We really notice the difference when they have practised with you at home.
