- Taste of the new menu

Mr Goodwin gave out two samples for pupils to taste today from the new menu.

1. Beef cobbler-beef gravy and scone.

Popular with all the pupils, one pupil said that sh doesn't like gravy but she likes that gravy.

Feedback from pupils on scone- tangy and good after taste.

2. Yoghurt bar- little pot of vanilla greek yoghurt. Dates, honey, mixed oats all toasted.

Mr Goodwin asked if pupils have ideas for other topics.

Josh- toasted wheat.

Freya- asked about whether we could have chocolate on the menu.

- Mr Goodwin explained that he is not allowed to put chocolate on the menu unless it is cocoa powder. Has to be healthy.

Feedback: Absolutely brilliant. Thumbs up. Tastes like granola, so pupils thought it was healthy. Freya- doesn't usually like cereal bars but she likes these.

- **Discussion of the proposed new menu incl. suggestions**

Week 1

Honey cup pudding and greek yoghurt from the Olympics menu will be on the new menu.

Toad in the hole- cheese and tomato quiche or quorn toad in the hole.

Try one on each day and then decide which is the best?

Possibly change week 1 veggie Weds to Quorn Toad in the Hole.

Week 2: All of the council liked it.

Felix asked if we could have chilli for one menu option.

Sweet potato mash. Are people ok with that? Yes.

Vanilla greek yoghurt with granola- 10 yes, one unsure and one not tried it.

Oat cookie and strawberry milkshake- Freya asked if we could make sure that the milkshake doesn't run out for the last children being served.

Nabiya asked why are children allowed to change their meals later in the day?

- **Plans for theme events 2016/17**

Theme days: Roald Dahl Day was really successful. Other dates for the year have been given to staff and pupils from council to share. Chocolate fountain used for the Roald Dahl day could be used for the Summer fair now as it has been purchased for school from the catering budget.

Next theme day is the Food For Life and Soil Association Roast Dinner Day on 2/11/16.

Mr Goodwin asked if pupils had any ideas of people we could invite in for this theme day.

Which other groups or local societies, local MP, Open the Book members?

Mr Goodwin explained that whether you have lunch on that day or not you must choose on the form that was sent out yesterday as the menu will be slightly different that day.

Roast Turkey Dinner.

Quorn Toad in the hole.

Baked Apple Pudding and Custard.

- **AOB**

Please make sure your Food Council Member is in the hall by 1.30pm so that the meeting can start promptly as Mr Goodwin has got to go straight to cookery club after this meeting.

Many thanks,

Mrs Jones and Mr Goodwin
