If staff members or visitors have concerns about a child, they should raise these with the **Designated Safeguarding Lead**. This includes vulnerability to radicalisation as well as situations of abuse which may involve staff members. If the Headteacher is absent, then all concerns should be raised with either the **Deputy or Alternate Safeguarding Lead**.

Parents can always call school on 01332 514052, during school hours, to speak to one of the safeguarding team if they have a concern. Out of hours, call one of the numbers below.

However, if, at any point, there is a risk of immediate, serious harm to a child, a referral should be made to social care immediately. **Anybody can make a referral**. Concerns should always lead to help for the child.
