KS2 Sports Day – Tuesday 10th of July

- Lower Juniors – 9:30am. Races on the track will start between 10:30 and 10:45 approximately.
- Upper Juniors – 1:30pm. Sprint and relay races will start at 2:45 approximately.

We ask that all spectators enter and exit the field via the small gate within the car park. If you require the use of our toilet facilities, please exit the field via the small gate and come round to Reception. Spectators are politely asked NOT to accompany school aged children to the toilet – they should inform a member of staff.

We will follow the usual format:

1. **A rotation of sporting activities** (where you can go around watching your child practising his / her athletics skills whilst earning individual points for times / distances)
2. **Races on the track** (where children compete to earn points for their house team)

When watching the races, please could you stay on the opposite side of the track to the children and keep the finishing line clear.

Please note that there will be no refreshments for sale on the day.

Your child will need:

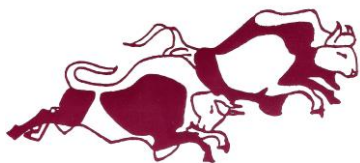

- PE kit and trainers in school on the above date.
- a water bottle
- a sun hat

It would also help us if you could put sun cream on them before they arrive at school.

- **Please note that if it rains there will be no alternative date. Activities and races will be completed within our Outdoor Games sessions instead.**

Thank you for your support.
