

Summer 2016

Dear Parents,

We have sun cream dispensers at school for children to use during the school day. These were given to school last year as part of a set of Sun Safe resources from the BBC Radio Derby Melanoma Appeal.

The suncream that is used in the dispensers is called 'Sunprotect' from DEB.

*'Sunprotect is SPF30 sunscreen to protect the skin against the sun's harmful UV-A (ageing) & UV-B (burning) rays. Perfume-free and non-greasy, its photostable formula contains a moisturiser and is also water-resistant.'*

Further details about the suncream can be found at

<http://www.debgroup.com/uk/products/selector/skin-care/deb-sun-protect>

We would still encourage you to put an all-day sun cream on your child before they come to school and if you have already purchased sun cream for your child they can still use this in school.

Please could you sign and return the form below to indicate whether you are happy for your child to use the school sun cream if they need to.

Thank you,

Mrs Jones

Healthy Schools/ Sun safe Co-ordinator

**N.B. Please make sure that your child has a sun hat in school and a water bottle.**

---

### **PERMISSION TO USE SCHOOL SUN CREAM**

Name of child: \_\_\_\_\_ Class: \_\_\_\_\_

My child is allowed /not allowed to use the school sun cream if needed. Remember it is easier to apply an all-day suncream at home before your child comes to school. (Please delete as applicable).

Signed ( parent/ guardian) \_\_\_\_\_ Date: \_\_\_\_\_

Please return to your child's class teacher by Monday 23<sup>rd</sup> May 2016.
