READING, PHONICS AND SPELLING WORKSHOP FOR PARENTS

Dear Parents,

On Tuesday 16th October at 2.30pm we have a Reading, Phonics and Spelling workshop for parents with children in Reception, Year 1 and Year 2 in the hall.

We will be talking about the 'Letters and Sounds' programme that we use for phonics in the infants and introducing our 'No Nonsense Spellings' programme that we are now using in Years 2,3 and 4. As part of the workshop we will demonstrate a phonics session so that you can see what your child might be doing in class and talk to you about how to engage with your child at home. This year we are also going to talk about how we teach reading in the infants and give parents ideas about how you can support your child at home with reading from Reception to Year 2. We will also talk about the grammar and punctuation that we teach in the infants.

If you would like to find out more about phonics, spelling and grammar or reading please come along. If you attended last year's phonics workshop there will be new materials this year. We will post the presentation on the website after the event for you to access at home if you are unable to attend or would like to refer to it at a later date.

Please complete and return the slip below to the office if you would like to attend.

Thank you for your support and we look forward to seeing you,

Mrs Jones
Assistant Headteacher KS1

Mrs Wildsmith
KS1 Literacy Co-ordinator
