Dear Parents

As part of our topic work on the Ancient Egyptians, we are hosting an Egyptian Day for the children in Year 3. Our Egyptian Day will be on Tuesday 5th December. In the morning the children will take part in art / craft activities and in the afternoon we will complete a quiz based activity on Ancient Egyptian food, followed by an Egyptian Banquet. The children will taste and evaluate some foods, so please complete and return the slip below relating to food allergies / intolerances.

The teachers and adult helpers will be dressing up and so we ask that the children do the same. Egyptian costumes can be purchased on Amazon but we do not set this as an expectation. Depending on your sewing skills a piece of cotton fabric with a slit for the neck and arms works really well. Added to this some gold bangles or curtain trims / tassels / gold scarf / fabric tied around the waist and some summer sandals and the outfit is complete. The children may wish to wear leggings or trousers underneath for warmth. Hairstyles and wigs / make up are allowed on the day. You might want to download paper / card Tutankhamun masks or make a crown complete with Egyptian snakes or Gods – (a good rainy day activity over the weekend – it's amazing what you can do with blue and gold card and paint!) We suggest that you keep the white tunic in a safe place and re-use it for Greek Day.

Could we please request a voluntary contribution of £2.00 per child towards costs.

Mrs Fox and Mrs Cochrane

Child's name: _____

Does your child have any food allergies / intolerances? (Please circle) Yes No

If Yes, please state below which food stuffs they have allergies / intolerances to:

Signed _____ (parent / guardian signature)

Please return the above slip and £2.00 voluntary contribution (**CASH ONLY PLEASE**) to **the office** by **Friday 1st December**
