Homework Policy

STATEMENT OF INTENT

At Mickleover Primary School we aim to create an approach to homework that enables children to reinforce their classroom learning at home and give parents the opportunity to help their child to make improved progress in their learning. In doing this, we also strive to ensure that homework does not place onerous demands on children and their parents and we recognise that children should be able to take part in other after school activities in order to develop fully in their own areas of interest.

This policy was developed in consultation with staff members, parents and pupils, and with the full agreement of the governing board

OUR APPROACH TO HOMEWORK

At MPS our homework consists of regular, short focused tasks linked to Reading, Spelling and Maths fluency. Our Home School Diary, as well as this policy clearly states the expectations for each Year Group as regards homework. The completion of homework is monitored via the Home School Diary and parents are asked to sign when homework is completed on a weekly basis. The children will be rewarded for completing their homework; this may include Class Dojo points (KS1) and Team Points (KS2). Opportunities to read and practise spellings, maths targets and Times tables will also take place in school. Feedback to parents on homework is given termly via the school's Autumn and Spring reports and the annual End of Year School Report and may form part of our Parent Consultation Evenings in Autumn and Spring.

The table below shows the homework expectations we have at Mickleover Primary School.

ADDITIONAL GUIDANCE & ABSENCES

In addition to the above expectations teachers may give out more personalised homework to support children with their specific targets and gaps in learning. If a pupil is absent from school

Motivated to learn, Proud of our achievements, Successful and skilled for life.

due to illness or medical reasons, the school will not supply work for these periods. We acknowledge that different families have access to different resources at home to support them with their homework. Our homework expectations take this into account – all children have access to school reading books and library books which they are able to take home, spellings and Maths targets require no extra equipment other than paper and a pencil.

If children do not complete the homework expectations then teachers will make contact with the parents / carers to find out what the reason for this is. Teachers will support pupils who are struggling to complete homework and will raise any concerns regarding their pupils' ability to complete homework to the head teacher and / or parents as appropriate.

THE USE OF ICT

We encourage the use of ICT to complete homework where it is appropriate. The school subscribes to the online TT Rockstars platform. We ask that parents who do not have access to the Internet, let their class teacher know so that TTRockstars can be practised at school.

INCLUSION

Some children's homework may differ depending on their learning and the support needed.

Pupils with SEND

A balanced approach to homework will be adopted for pupils with SEND, in consultation with the pupil's parents and the SENCO.

Where appropriate, the school will set adjusted or specific tasks for pupils with SEND as outlined in their provision plans.

Pupils with SEND will be supported in accordance with the school's SEND Policy.

Discussion with parents of children who require extra support via homework will take place at SEND reviews or Parents' Evening

EQUAL OPPORTUNITIES

At Mickleover Primary School we will ensure that we provide the full range of opportunities for all pupils, regardless of gender, sex, disability, sexual orientation, ethnicity and social, cultural or religious background.

All pupils will have equal access and inclusive rights to the curriculum regardless of their gender, race, disability or ability.
