Equality Statement & Objectives

OUR SCHOOL COMMITMENT

The Equality Act 2010 requires us to publish information that demonstrates that we have due regard for the need to:

- **Eliminate unlawful discrimination, harassment, victimisation** and any other conduct prohibited by the Equality Act 2010.
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it.
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

At Mickleover Primary School our aim is to develop the citizens of tomorrow by:

- Ensuring that everyone is treated fairly and respectfully.
- Making our school a safe and secure place for everyone.
- Recognising that people have different needs and we understand that treating people equally does not always involve treating them the same.
- Ensuring that no one experiences less favourable treatment or discrimination because of:
 - Age
 - Disability
 - Race
 - Ethnicity, colour or national origin
 - Gender or gender identity (reassigned or plan to reassign)
 - Marital or civil partnership status
 - Being pregnant or having recently had a baby
 - Religion or belief
 - Sexual identity and orientation
- We recognise that some pupils need extra support to help them achieve and be successful.
- We try to make sure that people from different groups are consulted and are involved in our decisions, especially pupils, parents and those of us who can be treated less favourably.

AIMS AND VALUES

The curriculum we teach enables our pupils to become:

- Successful learners who enjoy learning, make progress and achieve,
- Confident individuals who are able to live safe, healthy and fulfilling lives,
- Responsible citizens who make a positive contribution to society.

Our curriculum enables the children to develop the skills of resilience, collaboration, reflectiveness, perseverance, problem solving, team work and independence. Alongside this, the British Values of tolerance, mutual respect, democracy, rule of law and individual liberty are also taught.

Our duties are to:

- Promote community cohesion (under the Education and Inspections Act 2006)
- Eliminate discrimination, advance equality of opportunity and foster good relations (under the Equality Act 2010).

We also recognise the importance of accelerating the progress of pupils from groups who are underachieving.

As part of this we will:

- Publish information every year about our school population and achievement outcomes.
- Outline how we have due regard for equality and how we promote community cohesion
- Publish equality objectives to show how we plan to tackle particular inequalities and improve what we do.

INFORMATION ABOUT THE PUPIL POPULATION

Number of pupils on roll at the school: 411

Information on pupils by protected characteristics

The Equality Act protects people from discrimination on the basis of 'protected characteristics'. Every person has several of the protected characteristics, so the Act protects everyone against unfair treatment.

Disability

The Equality Act defines disability as when a person has a 'physical or mental impairment' which has a substantial and long term adverse effect on that person's ability to carry out normal day to day activities'.

There are pupils at our school with different types of disabilities and these include:

- Autism;
- Speech Language and Communication Needs;
- Hearing Impairment;
- Severe Allergies
- ADHD
- Attachment
- Physical disabilities

Ethnicity

The main ethnic categories in the school are White British, Indian and Pakistani.

Religion and Belief

Over half of our school population specify no religion or no specific religion; approximately 22% are Christian, 7% are Muslim, 4% Sikh, 2% Hindu and 10% specify 'other'.

Information on Other Groups of Pupils

We aim for all our pupils to make progress, including those whose needs, dispositions, aptitudes or circumstances require additional support.

In addition to pupils with protected characteristics, we wish to provide further information on the following groups of pupils:

Pupils from lower income households

	Total	Percentage of school population
Number of pupils currently eligible for free school meals (or in the past 6 years)	52	13%

Pupils with Special Educational Needs or Disability (SEND)

These figures include Reception	Number of pupils	Percentage of the school population
No Special Educational Need	365	89%
SEND support	40	10%
EHCP	6	1.4%
SEND monitoring	23	5.5%

Pupils with English as an additional language (EAL)

There are different languages spoken by pupils in the school, including English

	Total	Percentage of school population
Number of pupils who speak English as an additional language	72	18%

Young Carers

We are aware that some children may be young carers and are alert as to the signs that this may be the case.

Other vulnerable groups

- There are a number of children who are on our pastoral care register;
- We provide support and sometimes, therapy for children with emotional difficulties;
- There are a number of children with severe and complex needs, including autistic spectrum disorder, attachment, global delay and speech and language difficulties.

OUR MAIN EQUALITY CHALLENGES

This is a summary of the issues that we are most concerned about. We are already developing strategies and activities to address some of these challenges, and details are provided in Part 3 below. For some of these challenges we have also set and published equality objectives. See Part 6 of this document.

We continue to monitor attendance, however for part of last year (Jan 21 – March 21), schools were shut to the vast majority of children so we are unable to get an accurate attendance figure for the year 2020-21.

It is unlikely we will meet our usual target for all groups of pupils of 97% this year, as there is the ongoing COVID-19 pandemic and children must still isolate for 10 days if they test positive for Covid. They must also isolate if they have one of the 3 key symptoms and are not allowed back into school until they have a negative PCR test.

We will however, monitor all attendance as we would normally do to ensure there aren't any anomalies and follow these up as we would normally do.

Motivated to learn, Proud of our achievements, Successful and skilled for life.

HOW WE HAVE DUE REGARD TO EQUALITY

We are committed to working for the equality of all our pupils. To meet our duty, to have due regard to the need to eliminate unlawful discrimination, harassment and victimisation and other conduct towards pupils with protected characteristics prohibited by the Act:

Related policies in place are anti-bullying, e-safety and cyber-bullying, behaviour, safeguarding and SEND;

- Accessibility plan for the disabled;
- Exclusions are monitored and reported;
- Incidents of harassment are recorded;
- Staff and governors have regular safeguarding and SEND training;
- Authority complaints procedures are followed;
- Non-discriminatory employment practice is adhered to;
- There are staff and pupil codes of conduct;
- Teaching targets needs and there is training on differentiation and challenge;
- EAL strategies are employed and resources targeted.

SPECIAL EDUCATIONAL NEEDS AND DISABILITY

- We provide equal access to all areas of the curriculum and provide support where necessary;
- We take steps (reasonable adjustments) to ensure that disabled pupils are not put at a disadvantage compared to other pupils.

We are committed to working for the equality of people with and without disabilities. To meet our duties under the Equality Act 2010 we show we have due regard to the need to:

Advance equality of opportunity by:

- Providing equal access to all areas of the curriculum;
- Providing additional support and resources as and when necessary;
- Supporting disabled learners and staff by meeting their individual needs;
- Involving disabled learners, their families and disabled staff in the changes and improvements we make and consult them on issues that concern or affect them;
- Providing adequate training for all staff;
- Tracking and monitoring identified groups and their access and performance.

Foster good relations and community cohesion by:

- Involving parents of those children to develop understanding of how they may help their children at home;
- Promoting the spiritual, moral and cultural development of all pupils through our curriculum and enrichment activities;
- Providing an anti-prejudice curriculum which is incorporated into PSHE, and Spiritual, Moral, Social and Cultural (SMSC) which celebrates difference and diversity;
- Ensuring that pupils learn about the experiences of disabled people and how they may encounter prejudices;
- Providing policies, systems and procedures that promote tolerance and tackle prejudice, eg, Behaviour Policy, Anti-Bullying Policy, E-Safety Policy, Safeguarding Policy;
- Monitoring and ensuring equal access to after school clubs and pupils with SEND, if this is deemed beneficial for their well-being.

What has been the impact of our activities? What do we plan to do next?

Due to the global pandemic of COVID-19, there were no end of key stage outcomes due to the national lockdown and schools being closed to the vast majority of pupils.

During the year 2021-22, we aim to try and diminish the gaps for all SEND pupils, particularly in reading, caused by the pandemic. This is a priority on our school improvement plan.

Ethnicity and race (including EAL learners)

Summary Information:

- We have a range of languages spoken in the school and there are a variety of cultures;
- Our pupils are very respectful of each other's ethnicities and cultures.

We are committed to working for the equality of all ethnic groups. To meet our duties under the Equality Act 2010 we show we have due regard to the need to:

Advance equality of opportunity by:

- Assessing attainment and progress with regard to ethnic groups on a termly basis to ensure pupils who are falling behind are targeted for support as soon as possible;
- Conducting regular pupil surveys.

Foster good relations and community cohesion by:

- Following a curriculum that supports pupils to understand, respect and value difference and diversity;
- Ensuring that the curriculum challenges racism and stereotypes;
- Holding events such as enrichment days with a global theme;
- Ensuring that all ethnicities are made to feel welcome and included;
- Offering support and information for parents;
- Involving parents, carers and families, where possible, in participating in enrichment activities;
- Ensuring Mickleover FOMPs (PTA) is open to all and positively promoted to our parents from different ethnic groups.

What has been the impact of our activities? What do we plan to do next?

Due to the global pandemic of COVID-19, there were no end of key stage outcomes due to the national lockdown and schools being closed to the vast majority of pupils.

During the academic year 2021-22, we aim to maintain high standards of attainment for our EAL pupils in all key stages, identifying any gaps in their learning caused by the closure of schools.

GENDER

Summary information:

- The progress and attainment of boys and girls is monitored regularly;
- Boys and girls are consulted on issues which may affect their underachievement or well-being through class and school council, surveys.

- Both male and female parents and carers are encouraged to be involved in the work of the school and contribute to their children's learning and progress – fathers and male carers are particularly welcomed.

Foster good relations and community cohesion by:

- Ensuring we respond to any sexist bullying or sexual harassment;
- Encouraging pupils to develop an understanding of the experiences of different genders in society and challenge sexism and negative stereotypes;
- Ensuring the inclusion of positive, non-stereo-typical images of women and men, girls and boys across the curriculum.

What has been the impact of our activities? What do we plan to do next?

We are prioritising reading and writing and reducing the gaps caused by the closure of schools due to the pandemic in these areas. We will monitor over the year the impact on boys and girls and focus interventions as appropriate.

Religion and Belief

Children come from a variety of religions such as Christian, Muslim and Hindu.

We promote this diversity and promote understanding and acceptance of all pupils and their families regardless of their religion and belief.

We are committed to working for the equality for people based on their religion, belief and non-belief. To meet our duties under the Equality Act 2010 we show we have due regard to the need to:

Advance equality of opportunity by:

- Studying all major religions and beliefs;
