APPENDIX 1

REMOTE LEARNING DURING THE CORONAVIRUS (COVID-19) PANDEMIC

Within the ever-changing circumstances we are currently living through, we must be prepared for local restrictions. If local restrictions apply, the school will implement provision for remote learning to ensure pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines additional measures that will be implemented for delivering remote learning during the pandemic.

LEGAL FRAMEWORK

This policy has due regard to all relevant legislation, statutory and good practice guidance including, but not limited to, the following:

- DfE (2020) 'Safeguarding and remote education during coronavirus (COVID-19)'
- DfE (2020) 'Adapting teaching practice for remote education'
- DfE (2020) 'Guidance for full opening: schools'
- DfE (2020) 'Get help with technology during coronavirus (COVID-19)'
- DfE (2020) 'Get laptops and tablets for children who cannot attend school due to coronavirus (COVID-19)'
- DfE (2020) 'How schools can plan for tier 2 local restrictions'
- DfE (2020) 'Laptops, tablets and 4G wireless routers provided during coronavirus (COVID-19)'
- Department of Health & Social Care (2020) 'COVID-19 contain framework: a guide for local decision makers'

CONTINGENCY PLANNING

- The school will work closely with the LA to ensure the premises is COVID-secure, and will complete all necessary risk assessments.
- The school will work closely with the local health protection team when local restrictions apply and implement the provisions set within their contingency plan.
- The school will communicate its contingency plans for local restrictions with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if remote working will be applicable for all.
- If local restrictions are **not** applied, but a single class or 'bubble' needs to self-isolate, the school will immediately implement remote learning for that group.

TEACHING AND LEARNING

All pupils will have access to high-quality education when remote working. The school will use a range of teaching methods to cater for all different learning styles.

When teaching pupils who are working remotely, teachers will:

- Set learning so that pupils have meaningful and ambitious work each day.
- Deliver a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.

Motivated to learn, Proud of our achievements, Successful and skilled for life.

- Provide frequent, clear explanations of new content through high-quality curriculum resources, including through educational videos.
- Assess progress by using questions and other suitable tasks and be clear on how regularly work will be checked.
- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.
- Plan a programme that is of equivalent length to the core teaching pupils would receive in school, where possible, including daily contact with teachers.

All provisions for remote learning will be subject to the class group's age, ability and/or any SEND.

In exceptional circumstances, the school may reduce its curriculum offering to enable pupils to cope with the workload – the Headteacher will assess this need, keeping pupils' best interests in mind, and will not take the decision lightly.

Teachers will continue to make use of formative assessments throughout the academic year, e.g. quizzes.

The school will utilise the support available through the DfE's 'Get help with technology during coronavirus (COVID-19)' scheme. Under the scheme, the school has ordered laptops to support the following groups of pupils if they do not have access to a digital device or the internet through other means:

- Pupils in who do not have access to online learning.
- Clinically extremely vulnerable children across all year groups who are shielding or self-isolating in line with government advice
- Children in all year groups who are unable to access remote education whilst attending school on a hospital site

Before distributing devices, the school will ensure:

- The devices are set up to access remote education.
- Appropriate safeguarding controls and support are in place to help pupils and their families use the devices safely.
- Parents have signed the ICT Acceptable User Policy and agree to return the laptop to school at the end of the 2 week isolation period.
