**Key Learning**

In Year 3, you considered:

- Why festivals are important?
- Why Easter is celebrated?
- Life as a Christian in Britain today.

In Year 4, we will now be building on that knowledge and understanding. We will be looking at festivals of other religions:

- Judaism, Islam and Hinduism.
- We will compare these festivals and how they are celebrated.

**Learning Objectives**

- Make connections between stories, symbols and beliefs with what happens in at least two festivals.
- Ask questions and give ideas about what matters most to believers in festivals (e.g. Easter, Eid).
- Identify similarities and differences in the way festivals are celebrated within and between religions.
- Explore and suggest ideas about what is worth celebrating and remembering in religious communities and in their own lives.
